Tânsi kâkiyaw

Miyo Manito Kisikaw to all our MKNW families! December is always an exciting time for our students! We are so grateful to work in such a beautiful Cree community, and we are thankful that our students and staff remain healthy and happy. As we embrace the holiday season, let's remember the importance of kindness, empathy, and community. Whether it's through small acts of generosity or thoughtful gestures, let us spread joy and goodwill to those around us.

Our Christmas concert will be on **Monday, December 18th at 1:00pm.** We look forward to seeing you there.

We wish you many wonderful moments this holiday season with family and friends, and we wish you joy and good health. You can help support your child's learning over the holidays by sharing stories, reading with your child every day, and playing card games or board games together.

We look forward to welcoming our awasisak ekwa Oskayak back to school on **January 8th.**

A.P. ekwa Counselling Update

Tansi Kâkiyaw,

December is already upon us and where has the time gone? These past few weeks have been quite busy. Thank you to the parents who came out for Parent/Teacher night! It was pleasure to meet and chat with some of you! December will be another busy month with the excitement of Christmas is coming soon! You can see and feel it in the school. Take a look at our calendar for the upcoming events that we have planned. I wish you all a restful holiday with your loved ones and we will see you in the new year! Have a Merry Christmas and Happy New Year!

**Ekosi pitama,
Mrs. Alison Robles-Torres
Assistant Principal**

Tansi Kâkîyaw,

Tis the season to be Jolly....

Let's start by introducing our new counselor who has started here at the school; Jenine Fehr. We are very fortunate to again have two counselors at the school to meet the needs of even more students. This month is jam packed with fun activities and the Christmas break is fast approaching. Christmas time is one of those tricky times of year where we are often filled with joy and gladness, laughter and friends. However, Christmas can also be a time of great grief for families. Remembering those we have loved and lost can be difficult over the Holiday season. Grief is tricky. It comes and goes like waves and can take a long time. Children grieve too. They feel the sensation of loss in their bodies, even when they are too young to articulate these emotions with words. If you or someone in your life is grieving this holiday season, remember the waves of grief are difficult; but normal and necessary. If you are struggling and need support please reach out. Here at the school I can help connect you with a service that can be of support if needed. If you have a child needing support as well, We are here to help.

There is also a new suicide crisis line across Canada- **988**. You can call or text this number 24 hours a day for help and support for yourself or a loved one.

Merry Christmas!

Hai hai,

**Counsellors,
Tammy Auten-Dye ekwa Jenine Fehr**

Nehiyawewin ekwa Sesawiwini(PE) update

Tânsi Kâhkîyaw,

We are learning about Winter and everything associated to Winter. We have been busy learning about Pipon. Pipon is a fun time of Winter activities and gathering with family. We made lanyards and dreamcatchers to learn to make them as gifts, and we will be learning about snaring rabbits, and identifying tracks of different animals. We will also be learning Christmas songs in nehiyawewin and going snowshoeing for land-based learning before our Christmas break! We look forward to a joyous new year filled with Legends. Legends are a part of our history and it is important we pass these lessons down to our students.

Ekosi pitamâ, Kihwâm mîna.

On November 7, 2023, the Junior Boys STORM team travelled to Alexander to compete in the Treaty Six Volleyball Championship. First game against a much older Alexander team, losing 15-10, 15-12. Second game against Enoch losing 15-10, winning 15-8, losing the 3rd set 15-13. Third game against Alexis, we had to win to move on or we were out. Winning the first set 15-7, losing the 2nd set 15-7, winning the 3rd set 15-13 to move on to the semi-finals. The semi-final game against a very strong Ermineskin team winning in straight sets, 15-10, 15-11, putting the boys in the show against Alexander. Losing the 1st set, 15-7, 15-13. The boys had a slow start and finished really strong. The boys were the youngest team there so they did really well in taking 2nd place!!! I'm very proud of these boys!
