Tansi Welcome back everyone! I am looking forward to a wonderful year of connecting and building relationships with all the awasisak, oskayak, parents ekwa grandparents.

As we transition back to regular school hours and routines, it is important to remember that sleep and attendance is vital. We need full support from parents and guardians to ensure their children are getting enough sleep at night so they are rested and ready to learn when they are at school.

We are implementing a **No Cellphone Policy** again at MKNW.  
We ask that students do not bring a phone to school.

If you need to contact your awasisak or oskayak, you can contact the front office or their classroom teacher. This helps us ensure that our students are engaged in their learning. If your child is caught with a phone in class, it will be brought to the office and returned at the end of the school day. The school will not be responsible for any lost, stolen or damaged phones.

It has been a great first week back at school. It is so wonderful to see so many awasisak ekwa oskayak returning to school.  
Thank you for choosing Meskanahk Ka Nipa Wit school and entrusting us with your children.

I look forward to see you at the **takwâkin ohnikikomawak Engagement**  
**Meet the Teacher night on Thursday, September 18th from 4 - 6pm.**

Tânisi kâhkiyaw,

Welcome back to another school year. I hope everyone has enjoyed their summer break. I am very happy to be returning and seeing all the smiling faces. I am excited to see all the awasisak ekwa oskayak returning. We have some new faces in the school, staff and students, which I am very excited about. You sure can feel the excitement in the air!

A little about myself, I enjoy cooking and trying new restaurants. I love travelling and go to a hot sunny spot at least once a year.

My goal this year is to speak more Cree to our Awasisak!

I look forward to working with our Awasisak and our parents/guardians!

Ekosi,

# MKNW Counselling & Wellness

Happy September! Are you as excited as I am that school has started?  
I can't wait to hear about all the summer fun the awasiask ekwa oskayak had!

If your awasisak/oskayak were in counselling last year, you may be hearing from me regarding consent for counselling for this school year.

Counselling support can be received in a variety of ways. There is play-based counselling which helps for those who cannot yet express their feelings and emotions, like our little ones.

Sometimes we do art and creative expression to help release emotions that feel stuck. There are different types of talk therapy that help to change negative thought patterns and assist with boosting self-esteem and learn to cope in healthy ways.

If you feel that your awasisak ekwa oskayak are having difficulty processing emotions, overcoming sadness, anger or fear, give Jenine a call and we can work together for their best interests.

**Jenine Campbell**  
**MKNW Counsellor**

Welcome back to a new school year!  
I know that we are going to have a wonderful time!  
I am happy that I get the chance to return to such an amazing school.

My role as the schools wellness coach is to help the students find a balance within themselves with activities such as; guided meditation, what self care looks like, and many other wellness related activities.

There are many ways for the students to find balance in their lives and I'm excited that I am able to be there for them.

- Thank you

Hello everyone! I'm so excited to be back for another great school year. Having taught here for a number of years, I always look forward to the excitement that comes with welcoming a new class of students. I have had the opportunity to meet many of the families and feel truly blessed when I can tell a student that I once taught their parent. I know just a little Cree language and have a goal to learn many more words and phrases. Teaching elementary school is something I truly enjoy, and it's a joy to be part of such a wonderful school and community. On a personal note, I also have three sons who are heading back to school in the nearby community of Ponoka, so I have plenty to keep me busy!

***I'm so excited to be your Junior High Humanities teacher this year at Meskanahk Ka-Nipa Wit School! I grew up in Ghana, where I studied Secondary Education at the University of Cape Coast. That's where I discovered how much I love Social Studies and English Language Arts—and now I get to share that love with everyone. I later continued my studies in Newfoundland and Labrador, where I earned my Master's degree in Humanities and Religious Studies. I believe learning never really ends, and I want to encourage my students to be lifelong learners too.***
